

会 場： 郡山総合運動場

Figure 1: A detailed pedigree chart of the Japanese population, showing the relationships between 32 individuals. The chart is divided into two main groups by a vertical dashed line. The left group (1-16) is labeled '集之覽中' (Shū no Ranzō) and the right group (17-32) is labeled '野武' (No Tsubaki). The chart shows the inheritance of a trait, with red lines indicating the presence of the trait. The trait is present in individuals 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, and 32. The trait is absent in individuals 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, and 32. The chart is a complex network of lines representing the relationships between the individuals, with numbers indicating the degree of relationship or the number of individuals in a particular group. The chart is a detailed representation of the Japanese population, showing the relationships between 32 individuals. The chart is divided into two main groups by a vertical dashed line.
